

AFSCAN is a global initiative which facilitates capacity building in the African veterinary community to enhance quality in small companion animal medicine with a One Health perspective

AFSCAN RESEARCH AWARD: PROGRESS REPORT

Progress reports are expected at the end of the first year of a 2-year project and at the conclusion of the project.

Reports should be sent by e-mail to profmjday@gmail.com and clearly indicate in the subject line that the message contains an AFSCAN Research Award Progress Report

PROGRESS REPORT

Name of principle investigator	
Name/s of co-investigators	
Institutional Address of principle investigator	
E-mail address of principle investigator	

Title of Project	
Duration	
Date of starting project	
First or second year [final] report	

Please briefly review the scientific aims of the investigation

Please describe the work carried out and indicate the progress against the stated aims

Please discuss any problems or challenges that have affected the progress of the study

Please describe your interaction with your international research collaborator

Summary of Budget

Please provide an itemized account of how the allocated budget for the project has been spent. Please indicate whether any residual funds remain (i.e. that you intend to carry over from year 1 to year 2)

Please describe outcomes from the research

These may include presentations made, papers in preparation, submitted or accepted and an indication of how the research may have benefited scientific knowledge or African society.
